Chapter 55.5: Names of The Three Inner Worlds

Here are the names for the three inner worlds:

1. Ashborn's Inner World: Luxoria Eterna

Meaning "Eternal Light," this world is a radiant realm filled with celestial beauty and endless cycles of light and creation. Its golden stars and luminous landscapes reflect Ashborn's angelic and divine essence.

2. Sung Jin-Woo's Inner World: Umbra Nexum

Meaning "Shadow Nexus," this world is a labyrinth of interconnected shadowy realms. Its infinite voids and dark cities pulsate with mystery and power, perfectly mirroring Jin-Woo's mastery over shadows and his dominion as the Shadow Monarch.

3. Sung Su-Ho's Inner World: Drakarys Aeterna

Meaning "Eternal Dragon's Flame," this world is a fiery domain of volcanic planets, blazing skies, and molten seas. Its intense heat and draconic energies symbolize Su-Ho's role as the Dragon Monarch and his fiery will to rule and create.

Each name reflects the unique essence of the realms and the personas of their creators.
